ENCOUNTER EQUIP EMPOWER

Hey All! Well, the summer is more than half-way through and I am having mixed emotions about that!!!

No matter what this fall brings (rain or cold, brrrr), we'll have the perfect chance to hang out together at November's [Awakening Seminar](#) in Toronto!

Our team is excited about this Seminar and we are tenderly and prayerfully working behind the scenes to make sure everything will be ready for you. Our hope is that you will feel welcomed, relaxed and positioned for all that Jesus has for you. If you haven't already signed up, please do!!!

You can still [register](#) at an Early Bird price of \$450 – CANADIAN (yes!). Invite a friend and spread the word. This four-day teaching seminar exists to Awaken us to the truth of who Jesus says we are now that we are His. We will delve into topics that are deep and rich, such as Journey to Embrace; The Grace of Union; Self-Definition and the Community of Christ; The Strength of His Might; Moving from Mastery to Mystery; and Deepening our Knowing.

I have personally been transformed by this teaching. Too much of my Christian life has been striving to be accepted by God and others, instead of knowing I am accepted completely by God already because that's what Jesus did for me and to me. I want you to experience this truth as well! I want this for Pastors and Leaders and parents and youth. I want the truth of ALL that Jesus did for us ALL to become the very foundation of how the church in Canada moves into communities bringing love and care and acceptance. It starts with us stepping out into an insecure world secure in who we are and whose we are. It just makes sense!!!

You can find more info on the Awakening seminar and register by visiting our [Healing Care Canada](#) website. While you're there, check out the videos, articles and links!

Happy last few weeks of summer, all! Talk to you again soon.
